

Learn German online

Speak German confidently. Take online courses with certified teachers, available for all language levels. We speak several languages, including Bulgarian, English, and Russian.

Classes are designed for small groups and individuals, from A1 to C1. Conversation, grammar, and professional language courses. Language exercises with a microphone, as well as conversation exercises in various settings, are available. Initiation into a course is tailored to your individual needs.

We also offer orientation courses: Living in Germany with 100 teaching units.

Information and Consultation

The start of a course is tailored to your individual needs. For further information and advice, please use the following email address: youthconnectedbysounds@gmail.com
